Excitement was in the air today as Lorne Lasuita, Chef de Mission for Team Sask, announced the team that will be representing Saskatchewan at the 2011 Canada Winter Games.

Team Sask 2011 will participate in the Jeux du Canada Games in Halifax, Nova Scotia, February 11<sup>rd</sup> to February 27, 2011. The team consists of 300 athletes, coaches, and managers, 20 mission staff and 3 performing artists.

"It is great to see Team Sask ready to represent our province at the 2011 Canada Winter Games in Halifax," Tourism, Parks, Culture and Sport Minister Bill Hutchinson said. "Competing in the Games is a reflection of the commitment and skill of these young athletes. I want to wish them the best of luck and let them know Saskatchewan will be cheering for them."

"The Games enhance sport development in Canada and create legacies in the host community" Lasuita said. "This group team is truly a provincial team as over 80 communities throughout the province are represented, creating a strong message of the value of sport in developing a healthy active lifestyle."

The games are an important part of the long term athlete development program designed by the Canadian Sport Centers' in cooperation with Sport Canada. The focus on high performance and the opportunity to excel prepares our athletes for future National and International competitions.

Audra Young, President of Sask Sport Inc. said, "We wish everyone on Team Sask the best of luck, and to make the entire province proud with your efforts and sportsmanship. It is your hard work, dedication and perseverance that has brought you to where you are today, and these same qualities will propel you to achieve your very best at the 2011 Canada Winter Games."

Athletes will be competing in 25 different sports throughout the two week event. Team Sask results will be updated daily on the Team Sask web site at [www.teamsask.ca](http://www.teamsask.ca).
