

MEDIA ADVISORY

In a lead-up to the 2011 Canada Winter Games being held Halifax, Nova Scotia in February, the Canada Games flag is visiting every past host community. The past community engagement program is an alumni program that tries to create excitement for the Canada Games in each community that has hosted in the past.

Much like a torch relay, the Canada Games flag is travelling across the country with each community having the flag for a few days before it needs to go to the next community. From January 5 – 8, 2011 the Canada Games Flag will be in Regina.

On Wednesday, January 5, 2011 at 11:00am the Canada Games flag will be raised in Regina at the City Hall. The flag will fly there until Saturday, January 8th when it will travel to Brandon, Manitoba.

Please join the Chef de Mission for Team Sask, Lorne Lasuita for the official raising of the Canada Games flag on Wednesday, January 5, 2011 at 11:00am.

Lorne will be available for comments regarding Team Sask and the Canada Games movement immediately following the flag raising.
