## **2011 Games Get Rolling**

### *National Technical Advisors Conference*

As a key part of the planning and engagement process, the Halifax 2011 Host Society will hold a National Technical Advisors Conference on **November 14, 15, 16, 2008 in Halifax**. The conference will introduce technical advisors to sport leaders in Nova Scotia and help set the stage for a great event in 2011.

### *Project Management Partnership*

To help plan, develop and execute a successful Games, the 2011 Host Society is partnering with the Project Management Institute (Nova Scotia Chapter) to create a Project Management Office (PMO) within the Host Society office. The PMO will be led by a Senior Volunteer Project Manager, Mike Musial, staffed with two Project Coordinators.

In his volunteer role with the 2011 Games, Mike will coordinate a team of Volunteer Project Managers who will be assigned to work with divisions, providing project management support and advice to division chairs and planning volunteers.

### *Volunteer Recruitment*

Volunteers are the heart of the Canada Games! The 2011 Host Society kicked off its recruitment process in August, to engage several hundred volunteers to help plan the Games. Project managers, committee members and committee leaders are needed. Interested applicants are asked to forward a resume to [volunteer@canadagames2011.ca](mailto:volunteer@canadagames2011.ca) and more details about the opportunities can be found at: <http://www.halifax.ca/2011CanadaWinterGames/>

### *Halifax 2011 Senior Staff*

The Society now has its senior staff in place. The senior management team is as follows:
